

2008 Technical Service Training School Schedule

February 26-27

May 27-28

August 19-20

November 18-19

All classes will begin at 8am on the first day and end approximately 4pm on the second day. Southbend will cover the hotel room charge for the night of the training school and the meals while training for authorized Southbend service agents.

The service school will be held at the North Carolina plant and cover all product lines. This includes the Platinum and Blodgett Range line, Café Range line, CO line, Heavy Duty Counterline, Steam Equipment and our Steak Broilers.

Please have all reservations for the class into Southbend no later than one week before the school date. A sign up form can be faxed to you from anyone in our Technical Service Department.

Please email or call me with any questions.

Thank you,

**Chris Krupp
Technical Service Manager
